☒ Take Control of Your Music

RIO PORTABLE MP3 PLAYER
From Diamond Multimedia

⊡

☒ **This is the portable MP3 player we've all been waiting for! Holds over an hour of near CD quality music, and more than a half-hour of CD quality music. And it only costs $199!!!**

☒ Rio comes bundled with <u>MusicMatch Jukebox</u> - so you can easily record mp3's and create custom mp3 play lists for your Rio player.

RIO PORTABLE MP3 PLAYER

Diamond Multimedia's new Rio PMP300 player is giant step forward in portable mp3 technology. Smaller than an audio cassette, it has no moving parts and never skips, even during the most extreme movement. You get 12 hours of continuous play with just a single standard AA battery or up to twice as long with a lithium battery. It comes with 32MB of flash ROM, enough to store 32 minutes of CD quality music, and 64 minutes of near CD quality music. Add-on, removable flash memory cards give you extra hours of music storage.

Rio comes bundled with MusicMatch Jukebox to allow you to easily record and select mp3 music for your portable player. The version of MusicMatch Jukebox bundled with Rio comes with 50 free recordings, and can be upgraded on line to add unlimited recording for only $29.99. Once you've created the perfect mp3 play list for the mood, save it to the Rio player and listen to exactly the music you want wherever you go!

Purchase Now
